

10 Aug 87

Dear Mom and Dad,

I had an uneventful trip home. It's not too hot but I recognize the higher humidity. Naturally, there is a pile of work to do here at the office. I should have stayed away another week!

We had a great visit and I miss you both already. I hope you don't get exhausted with new visitors this week. Thanks for the great time - I'll call soon.

Love,
Jlin
